

## New England Chapter of the Academy of Certified Hazardous Materials Managers (NEACHMM)

October 18, 2010

As a local professional organization, NEACHMM provides its membership with learning and networking experiences through multiple technical meetings and facility tours throughout the year. These events feature presentations from experts in the EHS&S fields.

In an effort to continue to provide relevant and current presentations and events we are seeking the assistance of corporate sponsors. Sponsorship levels are **“Gold”** - \$2,500, **“Silver”** - \$2,000, **“Bronze”** \$1,500 or the option of being a **“Meeting”** sponsor for a specific individual meeting(s) at a level of \$500 each. Sponsorship opportunities would cover our final two meetings for 2010 and calendar year 2011.

Benefits of sponsorship include interaction with EHS&S professionals from academia, industry, regulatory and the consulting arenas. Additionally, the various levels of sponsorship include:

**“Gold”**: Company logo, website link and contact information on the NEACHMM web site along with a display table at each NEACHMM technical meeting, a recognition of sponsorship appreciation at each meeting and the opportunity to address the membership at one of these meetings.

**“Silver”**: Company logo, website link and contact information on the NEACHMM web site along with a display table and a recognition of sponsorship appreciation at each NEACHMM technical meeting.

**“Bronze”**: Company logo, website link and contact information on the NEACHMM web site and a recognition of sponsorship appreciation at each NEACHMM technical meeting.

**“Meeting Sponsor”**: A display table at the technical meeting(s) along with recognition of sponsorship appreciation and the opportunity to address the membership present.

On behalf of NEACHMM I welcome your consideration to be a corporate sponsor at the level that works for your company. For more information about NEACHMM, visit us online at [www.neachmm.com](http://www.neachmm.com) or contact me directly. Thank you for your time and consideration.
